

ASSEMBLY INSTRUCTIONS

Step 1:
To open/unfold, lift up the lock buttons on the case.
To close, press the ends of the handles together.

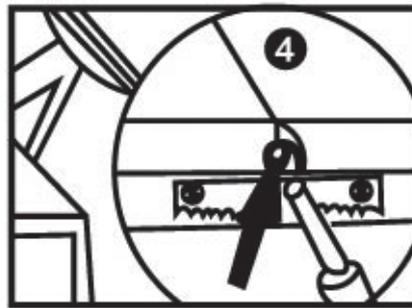

Step 2:
After opening the case, pull out the leg of seat frames and fix the support arms with the bolting slide.

Step 3:
Pull out the seat frame from inside the table. After fixing the seat frames, push the safety lever until you hear a "click".

To close: Safety brace must be released prior to folding table for storage.

Step 4:
When both seats are firmly fixed, turn the table right side up and insert the white security nails in both sides of the table and the parasol part in the middle of the table.

Step 5:
Regularly check and fasten the screws.
